SUICIDAL TENDENCIES / RIBZY / THE FACTION / BRUCES
FUN HOUSE / MISTAKEN IDENTITY.

~~THE FACTION / BRUCES / FUN HOUSE / MISTAKEN IDENTITY~~
MISTAKEN IDENTITY started IT out. they Ripped up for their first show. pretty tight and cool tunes. Next was FUN HOUSE, these guys were o.k. very Boring. Next to play were THE BRUCES. the singer sounds like a little GIRL. ARE they POP OR PUNK? who knows? Not a very tight Band. THE FACTION was next they played a cool set. Very cool new songs! they sure have progressed.

RIBZY was next, they Ripped But they should make some new songs up. Last But not Least SUICIDAL TENDENCIES, they were very clean and tight. But they had too many Bass problems. they only played around 6 songs. they should get new Equipment. As their song called "possessed" was their best song.

MORE GOSSIP AND SHIT

Powell Peralta Has a new Street Board out called the Rat Bones Board. Watch out for Canadians! America's Hardcore Lost thier singer! Fear played at the "On Broadway" 17th of December. Gnarly UPLAND'S COMBI-POOL TRANSITIONS

talking about Gnarly transitions, this pool is so Deep IT Hurts to Bail in it. First the Round pool, ON the Right side there's a 6 Foot Long Kink in the transition. IT'S aBout 11 Ft Deep with 3ft of verticle. the Bottom is very Rough. NOT Good for Knee slides, Next the SQUARE Pool, North wall Has a 4 Foot Long Kink in the Transition. whicht makes it Hard to Ride that wall with out getting SKetchy. the Locals Have IT wired. the SQUARE is a bout 11½ Feet Deep. with 3ft of VERTicle. this Pool is Rad. COOL for Lines.

RECORD REVIEWS

(by Billy Midol)

AVENGERS

The real Cool Seventies Punk. Paced and messy. Real medium-paced and Rock progressions a lot like Pistols except the vocals, which are female.

SECRET HATE

12"

Vegetables dancing. The vocals on this one are really clear; some really cool change of pace songs too. The cover is really funny. Also, beware of Raste.

GLEN DANZIG WHO KILLED MARILYN?

7"

Not too impressive considering how good the Misfits are. Both songs on this single are pretty lifeless, but the colored vinyl holds some redemption.

CAPITOL Punishment

7"

this band is pretty tight, but not too inventive. "Jody is my bloody love" is really dull & slow. The rest is pretty straight forward, and better than the aforementioned.

SUICIDAL TENDENCIES

12"

Real fast + tight + some very metal sound - this band is possessed. Their song is too. They're good live with stuff. Best song is too.
